Orchestral Concerts in the Bay Region*

*This quarter the Spotlight is on the "Carnforth Choral Society".*

*"B.a.c.l."  
Concert List for Choral and Orchestral Events in the Bay Region.  
(North Lancashire – Westmorland - Furness)  
Issue 50 summer-part 2019*

### *Welcome*

*Hi everyone, and welcome to the 50<sup>th</sup> issue of B.a.c.l. for an extra bit of information for summer of 2019 covering bookings received up to middle of April and including minor revisions to existing concerts.*

*The "Spotlight" is on "Carnforth Choral Society" for which I would like to thank Alec Fraser.*

*It's only two months since issue 49 was issued but I decided to publish this extra copy to cover additional events that I wanted to include for the summer issue.*

*Also, I wanted to reschedule the actual issuing of B.a.c.l. So, from now on the sequence will be July, October, February and May.*

*John Robinson – Editor*

*The Spotlight, this quarter, is on "Carnforth and District Choral Society".*

*They are a friendly bunch of people who share an interest in music and, especially, choral music. The Choral Society has a library of over 200 pieces of music.*

*While most of our members are singers, we also welcome members who prefer to stay in the background helping 'backstage'. There are about 65 members and new members are always welcome. There is no audition process.*

*Our public concerts are given in or near Carnforth shortly before Christmas and after Easter each year. They offer a wide repertoire of musical styles and material. For our concerts in May 2019 we will be performing Haydn's "Creation" at two venues - in Morecambe and in Casterton.*

*Our musical director, shown above, is Martin Webster of Carnforth. Martin has had over 40 years conducting experience with a variety of groups including children's choirs, church choirs and male voice choirs.*

*He has been Director of The Mewses, a smaller Kirkby Lonsdale based choir, since 1995 and was the Musical Director of the K Shoes Male Voice Choir of Kendal for ten years.*

*After our May concerts Martin will be handing the baton over to Richard Bromley, who currently is our accompanist (see below photo).*

*He also conducts the Hornby Occasionals (Gilbert and Sullivan). Richard has an honours degree in music from Huddersfield and a licentiate diploma in piano performance.*

*For our spring concert in 2018 we performed at Christ Church, Broadway, in Morecambe. We included in the programme the 4<sup>th</sup> Movement of Mendelssohn's 'Hymn of Praise'—the only choral movement in this, his second symphony. We welcomed back soloists Emily Robinson (soprano), Kate Noble (soprano) and Ederic Ibbotson (tenor). In the second half of the programme we presented a collection of 'Opera Lollipops': well-known choruses and solos. We like to invite local singers as soloists at our concerts.*

*In May 2018 we were the guest choir for the Morecambe Promenade Orchestra at 'The Platform' in Morecambe. We sang Opera Choruses with the orchestra, under Howard Rogerson, and also items which form part of 'Songs and Dances from the British Isles' by local composer Julian Davies. Other items in the work are orchestral. The concert ended with a 'Last Night of the Proms' selection. The entire programme was well received by a capacity audience. Our Christmas concert this year was held at the Torrisholme Methodist Church in Morecambe on the 13<sup>th</sup> of December. We had a traditional Christmas programme which included Christmas music arranged by Rutter, some popular carols for everyone to sing, and Wendy Sharrock as soloist provided a variety of songs finishing with 'O Holy Night' accompanied by the society members. We also included a favourite audience piece – the Twelve Days of Christmas – with a sting in the tail to catch out those not watching the conductor. As usual on these occasions our audience enjoyed a good cheerful mixture!*

*Choir rehearsals are held on Thursdays from 7.15pm to 9.30pm at Our Lady of Lourdes Church Hall, Carnforth, Lancashire LA5 9LR. Our year is split into two terms for rehearsals - an autumn term from September to December and a spring term from January to May.*

*Alec Fraser, Treasurer*

### *Coda*

*This is the issue 50 going out the end of April 2019.*

*If you have any comments, please let me know. As the editor, the events and dates I have included in this document are those that have been given me by the respective contributors, and no contract is implied by their inclusion here by me. I hope you will understand that I cannot provide tickets for any of the concerts or give access information to the various venues, hence, the contact list on the previous pages.*

*I would like to thank all those who provided the information that enabled this document to be created and updated. It is hoped that its contents are useful to everyone and that contributors keep me up to date. I would also be grateful if contributors could let me have expanded descriptions of their various programmes. This is so that the listing might become more meaningful to the reader.*

*May I remind everyone that they are encouraged to distribute this document to anyone who is interested.*

*The information contained in these pages can only be as accurate as that given to me.*

*This free "Clash-List" is designed to inform choirs, bands and concertgoers as to 'what's on' in our area and to alert concert-giving bodies to the dates occupied in order to avoid clashes.*

*Thanks and a good holiday season.*
